Code locks for insert locks

VITA

https://www.locinox.com/en-gb/gate-hardware/locks/code-locks-for-insert-locks/d00000203

Simple, maintenance-free access control for gates equipped with an insert lock. The VITA is a mechanical code lock that operates without electricity, compatible with FORTY-, FIFTY-, SIXTY-, and EIGHTYLOCK. The PIN code can be easily changed or removed, and both entry and exit codes can be set independently. Available in two configurations: a double version with a keypad on both sides, or a single version with one keypad and a free exit.
